

The Town of Hatch would like to extend our sincere gratitude to the many individuals and businesses who assisted our community during the recent water contamination incident. Your support, hard work, and generosity were greatly appreciated and played an important role in helping us through this situation.

We would like to thank SC Broadband for providing the equipment needed to clear the water lines leading to our valves, as well as their employees, Justin Porter, Shiloh Richards, and Trevor Pierson, whose hard work and dedication were instrumental in cleaning the valves. We also extend a special thank you to Tony Dinges for coordinating these efforts on behalf of the Town.

We are grateful to the Garfield County Sheriff's Office for supplying drinking water to residents during the emergency, and to Chad Justus for managing the emergency alert system and helping keep our community informed.

A heartfelt thank you goes to Joe's Main Street Market for their generous donation of bottled water for our residents.

We would also like to recognize the [Rural Water Association of Utah](#) and employees Jake Wood and Nate Langston for their expertise, guidance, and assistance throughout the incident.

The Town deeply appreciates the cooperation, generosity, and community spirit shown by everyone involved. Your willingness to step in and help made a meaningful difference for our residents.
